Dear Parent/Carer, Stakeholder,

The Trustees of the Changing Lives in Collaboration Trust, as the admission authority for Old Moat Primary, are undertaking a consultation on the school's admission arrangements.

Although the Trust is not proposing any changes to the current admission arrangements, the consultation is being carried out in accordance with the requirements of the School Admissions Code, which requires admission authorities to consult on their arrangements at least once every seven years.

The Trust is proposing that the admission arrangements currently in place for Old Moat Primary remain unchanged for admissions in September 2028.

The admission arrangements include:

- The Published Admission Number (PAN) of [number] places.
- The current oversubscription criteria.
- Existing arrangements for applications, admissions and appeals.

A copy of the proposed admission arrangements can be viewed on the school's website:
Old Moat Primary

We welcome views from parents, carers, schools, community organisations and any other interested parties regarding the proposed admission arrangements.

The consultation will run from 23 October 2026 to 01 December 2026.

How to Respond
Comments and feedback can be submitted:
By email: hello@clictrust.org
By post: Clair Travis, Changing Lives in Collaboration Trust, c/o Chorlton Park Primary School, Mauldeth Road West, Chorlton, Manchester, M21 7HH
When responding, please indicate your interest in the consultation (for example, parent/carer, prospective parent/carer, member of staff, governor or local resident).

Once the consultation period has ended, Trustees will consider all responses received before formally determining the admission arrangements for September 2028.
The determined admission arrangements will subsequently be published on the school's website and shared with the local authority.

Thank you for taking the time to consider the school's admission arrangements and for sharing your views.

Yours faithfully,

Ashley Harrison,
Chair of Trustees
Changing Lives in Collaboration Trust
