Words we are learning this half term?

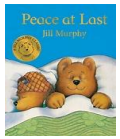

Old Moat Primary School

Nursery Newsletter

Autumn 2

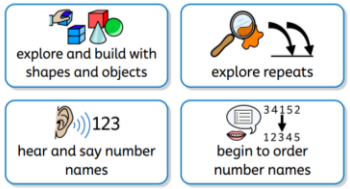

In English we will be focusing on two stories, Peace at Last, by Jill Murphy and We're Going on Bear Hunt, by Michael Rosen.

We will use these books as a starting point for exploring the different sounds we hear in the world around us.

In Maths we will be exploring number, pattern and shape.

In Phonics we will be focusing on Phase 1 letter sounds.

Please help your child by talking, singing and reading with them every day.

Our Big Question this term is…

What's that sound?

This term, our Big Question will focus on sounds. The children will be learning about the many sounds we hear in the world around us, including animal noises, vehicle sounds, and everyday environmental sounds. We are also looking forward to developing our musical skills as we investigate and create different sounds using a range of musical instruments.

HOME LEARNING

Every **Friday** your child will be given a **Home Learning pack**. Inside the pack you will find a book for you to read to your child every day and a home work book with activities for you to do together.

Home Learning packs will be given out every **Friday** and must be returned every **Wednesday**.

Thank you for your support!

attendance

It is vital that your child gets to school on-time every day. The doors are open from **8.40am-9:00am**. Nursery finishes at **3.05pm**.
